Villa-business: 3 townhouses. As you already know, the holiday home triumphs on the Costa del Sol, if you are an investor here you have your business set up, perfect for setting up a hotel or holiday apartments, ready to work. These owners have had this vision for years, so much so that they reformed this huge 1,000 m2 plot and 500.78 m2 built in 3 semi-detached houses each with 4 double bedrooms, kitchen, bathroom, large living room and dining room. two terraces. All of them facing south with unbeatable views of the sea. These townhouses have common areas: Cinema room, games room with bar area with billiards, another common kitchen with dining room, terrace with garden, sports area and swimming pool, toilet and storage room. Garage for 3-4 cars. Minimum rental per night of € 150 per apartment. Second line of beach with beautiful views of the sea.
