On arrival at this imposing property, automatic vehicle and pedestrian gates take you into a driveway where you will find 2 garages, a storage room and ample parking space for several vehicles and even a motorhome.

A few steps lead to the covered porch and main entrance which opens into a welcoming hallway.

To the right is a double bedroom, currently used as an office.

To the left is a corridor that takes you to two further double bedrooms on the right-hand side, both with fitted wardrobes and sliding doors opening to the pool

terrace.

To the left of the hallway is a shower room and family bathroom. At the end of the hallway, is the lovely Master Bedroom with en-suite bathroom with corner bath and shower, a dressing room, ceiling fan and doors opening to the terrace. All bedrooms have hot & cold air-conditioning.

Also from the hallway, double part-glazed French doors open into the especially large and bright living room with a log-burning fireplace and patio doors opening to the pool terrace. A 'Tosca' stone-edged archway takes you into the dining area. The separate kitchen is spacious and fully-equipped, again with patio doors leading out to the naya and terrace. There is a useful laundry room with a door opening to the garden and terrace.

Outside, the gardens are low-maintenance and planted with mature trees and shrubs. The impressive naya with several arches is just perfect for relaxing or dining 'al-fresco' and leads you out to the large 10x5m pool, which is surrounded by a charming, south-facing balustraded terrace with Jacuzzi spa. There is also an underbuild area, which could be further developed subject to the normal planning consents.
