Fantastic townhouses located in the heart of El Pilar de la Horadada

Composed of three large bedrooms, 3 bathrooms, living room, independent kitchen, private garage for 2 cars, a large loft with a solarium terrace and community pool

The residential consists of 24 townhouses, located in the heart of Pilar de la Horadada, 15 min. From the beach and the golf course "Lo romero".

The residential has a communal pool and a panoramic conditioned elevator. In addition, it has a communal basement in which each house has a private garage.

On the ground floor of each of the houses there is a separate kitchen and living room, a terrace and a toilet. On the first floor, the houses have three bedrooms and two bathrooms. On the second floor, each of the houses has a large solarium and a recreation room-office. All rooms have an air conditioning system. All the materials used in the construction are of the highest quality.

Being located in the center of Pilar de la Horadada, the homes have easy access to all kinds of services, such as banks, supermarkets, bars and other services related to leisure.
