The apartment is situated in a corner position in a quiet part of the development with a North-West aspect overlooking the surrounding countryside. The development benefits from a communal swimming pool, private underground parking and there is also a supermarket, bar and restaurant on site. Sucina is ideal for traveling around the region of Murcia, having good road links to all the historic cities and places of Interest including the Roman walled city of Cartagena and the regions capital city Murcia both just 20-25 mins drive by car. This traditional small Spanish town centre of Sucina is built around the impressive church on the main square, flanked by the narrow streets hosting all the shops, chemists, bakeries, restaurants, bars, supermarkets, take-aways, Internet cafes, post office, banks, community centre, dentist and doctors surgery. The town has a friendly, safe feel and is away from the crime issues sometimes associated with the Costa's.
